RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Restriction Requirement mailed August 3, 2005 in the above-identified application, Applicants elect Group I, claims 1-10, directed to an amorphous simvastatin calcium, for examination. Because of a change in claim groupings in the Restriction Requirement than those initially stated by the Examiner in his telephone call of July 15, 2005, Applicants request that the Response to Oral Restriction Requirement filed August 5, 2005 be withdrawn as moot.

The Examiner is invited to contact the undersigned at 202.220.4200 to discuss any issues regarding this application.

The Office is authorized to charge any fees or credit any overpayment to Deposit Account No. 11-0600.

Respectfully submitted,
